## Extreme Sports Entertainment

High Action Bikes produces extreme action sports entertainment that the whole family will love! Our bmx bike stunt shows are enjoyed by thousands of people of all ages nationwide each year!

As seen at the Illinois State Fair, Hopkinton State Fair, Battle Creek Air Show, Muskegon Summer Celebration, and at the World of Wheels Custom Car Shows in 2005!

"Your professional attitude and attention to detail was greatly appreciated."- Sonny McLean Motorsports Productions, INC.

"I want to thank your company for its ultimate professionalism throughout our two day event."- Brooks Jordan The Beach Waterpark

We wanted to go big for 2004 and create a new extreme area, which used to be a parking lot, and with your High Action Bikes show, we accomplished just that. Thank you for breathing life into a new entertainment portion of our Fairgrounds. The crowds flocked for your daily shows and filled the bleachers for every show.

The team was a pleasure to work with throughout the 11 days of their stay. Each of the performers was courteous and put on a fabulous show each and every time they rode the ramp or dazzled us with flatland stunts. Thanks for helping to make our "X Factory" a huge hit!

Sincerely,  
Joshua E. Jacobs  
Illinois State Fair
